**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

### **DETAILED ACTION**

1. This Office Action is responsive to communication filed on 03/23/2009.

#### ***Response to Amendment***

2. The proposed amendments to claims will not be entered because they would require further search and/or consideration. For example, claims 1, 13, 15, 16 and 18 now recite "arranging a sequence of Edit Decision List (EDL) elements for source media items in a source media track, wherein the EDL elements contain track control attributes that are independent of time". The previous underlined arrangements were not previously stated in claims 1, 13, 15, 16 and 18 thus making the amended claims more specific and necessitating further search/or consideration. Independent claims 1, 13, 15, 16 and 18 thus would require further search and/or consideration.
